PRESIDENT'S NOTES

A big NAWIC Thanks to Dave Bodenschatz from KJWW Engineering Consultants for his presentation on LEED - Leadership in Energy & Environmental Design. He explained the differences between the United States Green Building Council and the Green Building Certification Institute. We also learned about the four certification levels and professional accreditation, in addition to the benefits and impact of LEED in the Quad Cities area.

The holidays are past, and we are into our **"busy time"** as far as chapter activities. The Block Kids Building Contest for grades 1 - 6 is Saturday morning, February 16. Contact Mary Buczek or Mary Crapnell to give a helping hand. This is one of the **fun** activities. Another chance for fun is the Girl Scout World Thinking Day on Saturday afternoon, March 9. Contact Rhonda Osbourne to help with this. Both of these events require four hours or less of your time. Also, donations for raffle items are needed for the Girl Scout event. Over 1,000 girls are expected to participate.

National Women in Construction Week is March 3 - 9. Deb Swift will be requesting resolutions from five local mayors. If you are available to attend a city council meeting that week in either your city of employment or your city of residence, please do so. The resolutions are presented at the start of the meeting, so it will not require a great deal of time. We would like at least two members in attendance at each council meeting. Sign up in February.

Our Industry Appreciation dinner will take the place the night of our March meeting. I'm asking each member to attend with a company representative and a guest. To quote Kris Young, AGC of America Past President, **"The association is strong because you participate."**

A woman was taking a nap on Valentine's Day afternoon. After she awoke, she told her husband, "I just dreamed that you gave me a gorgeous and expensive diamond necklace for Valentine's Day! What do you think it means?"

"You'll know tonight," he said.

That evening, her husband came home with a small package for her. Thrilled, she opened it and found a book titled "The Meaning of Dreams."

It's building time again! Join us on Saturday, February 16, 2013 from 9 to 11:30 AM for the annual Block Kids Building Contest at the West Family YMCA. The entrants will be judged by members of the Quad Cities building community. The project chosen by the judges as the most noteworthy will be entered in a regional contest. Winners at the regional level will then be entered in a national contest.

Pre-registration is strongly recommended but if there are openings or cancellations, registrations will be taken the morning of the event. There is no fee to register.
