PRESIDENT'S NOTES

I hope everyone has been enjoying their summer! Its sure went by fast this year but at least we've had good weather for the most part. In August we had a social happy hour which I think we really well. I was able to meet some new members and get to know more about other members. I will try and incorporate a social hour every couple months to have fun while learning more about our members. Renewal emails have been sent out to renew your membership so if you haven't renewed yet there's still time to get that done.

I've attached again the invite for our 28th Annual Scholarship Auction and now's the time to start passing this out and letting everyone know about it and start getting reservations in. I've updated the scholarship recipient list as we have one more student that was not included initially. I will be handing out raffle tickets at the September meeting so come see me to start selling those as well and gain more money for the auction items and decorations.

As I will be starting my new term with the office of President again I would like to say that I have enjoyed working with everyone on the committees and the board members that are leaving this term and would like to welcome in the new Board as they begin another year. I would like to remind everyone on the old board and the new one that there will be a joint board meeting to be determined. I will get together with her new board and determine how this will be handled and let everyone know. This is where the old Board will be closing out and the new Board will be beginning.

Sincerely,

Julia Meyer
